

# SNOW MASTER

## RESERVDELAR SPARE PARTS

SNOW MASTER är en vidareutveckling av SNOW TRAC ST 4. Reservdelslista för delar som är speciella för SNOW MASTER återfinns först i förteckningen. Utöver de förändringar som de bredare banden medfört har förbättringar i konstruktionen gjorts. De reservdelsnummer i katalogen som ersatts av andra nummer framgår av listorna på sid. 2-5.

Kontrollera alltid före beställning av reservdelar att inte reservdelsnumret i katalogen ersatts av annat nummer enligt dessa listor.

Ange vid beställning detaljens reservdelsnummer och benämning samt fordonsets tillverkningsnummer.

Vissa reservdelar kan levereras hopmonterade till kompletta enheter. Dessa enheter består av de efterföljande detaljers benämningföregås av en punkt.

SNOW MASTER is a development of SNOW TRAC ST 4. Special parts for SNOW MASTER are listed at the beginning of the catalogue. Besides the broad tracks some parts have been changed due to the development of the construction. The numbers of the parts that have been changed are listed on pages 2-5.

Before ordering spare parts please check that their numbers have not been changed.

When ordering, state the spare part number and description of the part and also the manufacturing number of SNOW MASTER.

Certain spare parts can be delivered mounted as complete units. These units consist of the parts following the respective complete unit and marked with a point.
